The Kolar Town Municipality have passed a resolution at the meeting held on 30 6 1941 that, in recognition of the services rendered by Mr. S. Srinivasa Rao, the erstwhile D.C. Kolar & Mr. J.B. Muthanna Thya Town Assistant Engineer Kolar Town Municipality in connection with Kolar Town during the last three years, their portraits may be put up in the Krishnarajendra Jubilee Hall, the expenditure being met out of the subscriptions raised from among the members of the Municipality that no portion of the cost would be charged to the municipal funds.

In the first place if no expense is to be incurred out of Municipal funds it is not known how this can be treated as a municipal matter and under what section of the Town Municipalities Act, sanction is sought for the Resolution.

In regard to the merits of the Resolution it may be stated that Mr. S. Srinivasa Rao was the D.C. Kolar has left the District on transfer & there is no longer there. We would perhaps be no objection to put up his portrait in the Krishnarajendra Town Hall, as hence the head of the District for over three years

In regard to Mr J B Mallavarapu, he is the Executive President of the Mdlg and he still continues to be there as such. It would therefore be an appropriate to postpone a portrait of his so long as he remains in the place. Further, it is also for consideration whether, when the Executive President of Municipalities, it would be a desirable measure to allow their portraits being put up in the Town Halls or the offices, where they might have served. This question has perhaps to be viewed from the point of policy to be adopted by Govt in this matter.

For favour of orders.

In this has to be discouraged it is very doubtful whether this can be treated as a Municipal matter as the true interpretation of the Municipal laws. No doubt permission for such acts has been granted on previous occasions. It may not be very desirable to grant permission. The resolution may be
